### United Way Helps Cover Prescription Costs

#### Sussex County NJ families have saved more than \$80,000!

If you don't have health insurance, or need medicine not covered by your insurance plan, you need the FamilyWize prescription drug discount card being distributed by United Way of Sussex County. This card could lower the cost of your medicine by an average 30% or more. United Way of Sussex County is providing these cards free-of-charge to everyone in our community. There are no age restriction, no income restrictions, no limit on how many times you can use it and no waiting to get a card.

"Healthcare costs are one of the top concerns for people in our community," said Mary Emilius, Executive Director of United Way of Sussex County. "40% of adults don't buy the medicine they need, have difficulty affording it or reduce the required dosage because of the high cost. The FamilyWize prescription drug discount cards will help individuals and families who otherwise could not afford to buy the medicine they need. Too many people have insufficient coverage, no prescription coverage or need medications not covered by their insurance, Medicare, Medicaid or VA benefits."

People with Internet access can go to [www.FamilyWize.org](http://www.FamilyWize.org) to print a card, look up drug prices, and get a list of participating pharmacies.

FamilyWize cards also can be obtained by calling United Way of Sussex County at 973-579-3040.
